

THE INVENTOR'S JOURNEY™ MAP

FULL PATENT

A full patent application searched and examined at the UK Patent Office. Could lead to US patent protection too

PRODUCT DESIGN

We design your invention into a final sales-ready product in preparation for being prototyped

PRODUCT PROOF

We build the first basic build of your invention. Often tells you a lot about your product and how to patent it

PRODUCT PROTOTYPE

Your idea converted into a world-class prototype. The most important step of The Inventor's Journey™

PROVISIONAL PATENT

Next we get you patent pending worldwide on everything that came back clear from your patent search

PATENT SEARCH

Your first step in The Inventor's Journey™ is a patent search, to find out if you can patent your idea

LAUNCH

Your Trailer Video used to license your product, or for crowdfunding, investment or release

STEP 1

PATENT SEARCH

Your Journey starts with a world-class patent search, to see what's patentable about your idea

FULL PATENT

A full patent application searched and examined at the UK Patent Office. Could lead to US patent protection too

PRODUCT DESIGN

We design your invention into a final sales-ready product in preparation for being prototyped

PRODUCT PROOF

We build the first basic build of your invention. Often tells you a lot about your product and how to patent it

PRODUCT PROTOTYPE

Your idea converted into a world-class prototype. The most important step of The Inventor's Journey™

PROVISIONAL PATENT

Next we get you patent pending worldwide on everything that came back clear from your patent search

PATENT SEARCH

Your first step in The Inventor's Journey™ is a patent search, to find out if you can patent your idea

TRAILER VIDEO

60-90 second explainer video of your prototype in action. A powerful presentation tool

LAUNCH

Your Trailer Video used to license your product, or for crowdfunding, investment or release

STEP 2

PROVISIONAL PATENT

If your invention gets through the patent search, it's time to get patent pending with a provisional patent application

FULL PATENT

A full patent application searched and examined at the UK Patent Office. Could lead to US patent protection too

PRODUCT DESIGN

We design your invention into a final sales-ready product in preparation for being prototyped

PRODUCT PROOF

We build the first basic build of your invention. Often tells you a lot about your product and how to patent it

PRODUCT PROTOTYPE

Your idea converted into a world-class prototype. The most important step of The Inventor's Journey™

PROVISIONAL PATENT

Next we get you patent pending worldwide on everything that came back clear from your patent search

PATENT SEARCH

Your first step in The Inventor's Journey™ is a patent search, to find out if you can patent your idea

TRAILER VIDEO

60-90 second explainer video of your prototype in action. A powerful presentation tool

LAUNCH

Your Trailer Video used to license your product, or for crowdfunding, investment or release

STEP 3

PRODUCT PROOF

The first basic build of your invention.
Proves your invention actually works.
Can lead to important improvements.

FULL PATENT

A full patent application searched and examined at the UK Patent Office. Could lead to US patent protection too

PRODUCT DESIGN

We design your invention into a final sales-ready product in preparation for being prototyped

PRODUCT PROOF

We build the first basic build of your invention. Often tells you a lot about your product and how to patent it

PRODUCT PROTOTYPE

Your idea converted into a world-class prototype. The most important step of The Inventor's Journey™

PROVISIONAL PATENT

Next we get you patent pending worldwide on everything that came back clear from your patent search

PATENT SEARCH

Your first step in The Inventor's Journey™ is a patent search, to find out if you can patent your idea

TRAILER VIDEO

60-90 second explainer video of your prototype in action. A powerful presentation tool

LAUNCH

Your Trailer Video used to license your product, or for crowdfunding, investment or release

STEP 4

FULL PATENT

Now that your invention is proved, a full patent application is filed, for search and examination at the patent office

FULL PATENT

A full patent application searched and examined at the UK Patent Office. Could lead to US patent protection too

PRODUCT DESIGN

We design your invention into a final sales-ready product in preparation for being prototyped

PRODUCT PROOF

We build the first basic build of your invention. Often tells you a lot about your product and how to patent it

PRODUCT PROTOTYPE

Your idea converted into a world-class prototype. The most important step of The Inventor's Journey™

PROVISIONAL PATENT

Next we get you patent pending worldwide on everything that came back clear from your patent search

PATENT SEARCH

Your first step in The Inventor's Journey™ is a patent search, to find out if you can patent your idea

TRAILER VIDEO

60-90 second explainer video of your prototype in action. A powerful presentation tool

LAUNCH

Your Trailer Video used to license your product, or for crowdfunding, investment or release

STEP 5

PRODUCT DESIGN

Your invention designed into a final product by a professional product designer. Rendered and delivered to you in 3D

FULL PATENT

A full patent application searched and examined at the UK Patent Office. Could lead to US patent protection too

PRODUCT DESIGN

We design your invention into a final sales-ready product in preparation for being prototyped

PRODUCT PROOF

We build the first basic build of your invention. Often tells you a lot about your product and how to patent it

PRODUCT PROTOTYPE

Your idea converted into a world-class prototype. The most important step of The Inventor's Journey™

PROVISIONAL PATENT

Next we get you patent pending worldwide on everything that came back clear from your patent search

PATENT SEARCH

Your first step in The Inventor's Journey™ is a patent search, to find out if you can patent your idea

TRAILER VIDEO

60-90 second explainer video of your prototype in action. A powerful presentation tool

LAUNCH

Your Trailer Video used to license your product, or for crowdfunding, investment or release

STEP 6

PRODUCT PROTOTYPE

Your final design from step 5 executed into an advanced 'sales-ready' prototype. Now people take you seriously

FULL PATENT

A full patent application searched and examined at the UK Patent Office. Could lead to US patent protection too

PRODUCT DESIGN

We design your invention into a final sales-ready product in preparation for being prototyped

PRODUCT PROOF

We build the first basic build of your invention. Often tells you a lot about your product and how to patent it

PRODUCT PROTOTYPE

Your idea converted into a world-class prototype. The most important step of The Inventor's Journey™

PROVISIONAL PATENT

Next we get you patent pending worldwide on everything that came back clear from your patent search

PATENT SEARCH

Your first step in The Inventor's Journey™ is a patent search, to find out if you can patent your idea

LAUNCH

Your Trailer Video used to license your product, or for crowdfunding, investment or release

STEP 7

TRAILER VIDEO

A short promotional video of your advanced prototype, in action. Often professionally scripted, storyboarded, and narrated

FULL PATENT

A full patent application searched and examined at the UK Patent Office. Could lead to US patent protection too

PRODUCT DESIGN

We design your invention into a final sales-ready product in preparation for being prototyped

PRODUCT PROOF

We build the first basic build of your invention. Often tells you a lot about your product and how to patent it

PRODUCT PROTOTYPE

Your idea converted into a world-class prototype. The most important step of The Inventor's Journey™

PROVISIONAL PATENT

Next we get you patent pending worldwide on everything that came back clear from your patent search

PATENT SEARCH

Your first step in The Inventor's Journey™ is a patent search, to find out if you can patent your idea

TRAILER VIDEO

60-90 second explainer video of your prototype in action. A powerful presentation tool

LAUNCH

Your Trailer Video used to license your product, or for crowdfunding, investment or release

STEP 8 LAUNCH!

Your Trailer Video used to try to License your invention, or launch it yourself. Your Trailer Video can be used as part of a crowdfunding campaign

HOW TO GET STARTED

In order to start The Inventor's Journey™, you must become a crew member aboard SHIINE® ENTERPRISE. As a crew member, you'll get all of the following:

- ☒ Free Consultation
- ☒ The 7 Deadly Mistakes That Inventors Make
- ☒ Invention Mastery Series
- ☒ iPatentPending™ program
- ☒ iPatentDrawing™ program
- ☒ iPerfectPending™ program
- ☒ Beginner's Patent Search Tutorial
- ☒ Access to The Inventor's Journey™ steps and services
- ☒ Free Confidentiality Agreement
